

## Infinite Campus Parent Portal

The Campus Portal provides communication between our schools, students and their parents/guardians.

If you have children already registered and previously set up a user account, **there is no need to do it again.**

Parents wishing to access the Infinite Campus Parent Portal and create an initial account need to obtain an activation key from the District. This activation key can be obtained by sending an email to the District Parent Portal email address: [ParentPortal@swr.k12.ny.us](mailto:ParentPortal@swr.k12.ny.us) Please provide your name, the names of your children, and your home mailing address. Upon receipt of the email, the activation key will be mailed to your home address.

Once you receive your activation key, log onto <http://swrschools.org>
