**Welcome to the 2017-2018 school year!**

SEPTA is a Special Education PTA within the SWR school district that brings together a variety of people interested in children with special educational needs. These children include those classified with an IEP (children in self-contained settings, inclusive settings, and students receiving related services such as speech therapy, physical therapy, occupational therapy, etc.) as well as students with 504 Plans. We encourage participation and membership from all parents, faculty, staff and administrators in our school district. **You do not need to have a student or a child receiving special education services to be a part of SEPTA. We are here as a support for everyone.**

We typically meet once a month during the school year. You will be receiving information about our SEPTA meetings (dates, locations and information about the presentations/speakers) via email. All meetings will begin at either 6:30 pm or 7:00 pm. SEPTA dues are \$20 per year/per family. Our annual dues are used to provide scholarships, fund our TA Tuition Training Program and to expand our efforts to support children with special needs in a variety of ways, within the Shoreham-Wading River CSD.

Our first meeting will be on Monday, September 25th at 7pm in the HS library.

Please note: In order to be on our '17-'18 email list, we need your updated membership! Please return as soon as possible! Please cut off and return with your dues...
