

Holiday Sharing at Miller Avenue

The holiday season is fast approaching. In an effort to provide for the needy children of Brookhaven Town, we will be collecting unwrapped toys for the *Toys for Kids Drive* administered by the Youth Bureau INTERFACE Program. INTERFACE collects and distributes gifts to Brookhaven's less fortunate families. Their goal is to supply each needy child with at least one new toy.

If you have any questions regarding INTERFACE, you can call the Town of Brookhaven at 451-8011.

The Toys for Kids Drive will run from
Monday, November 20th until
Wednesday, December 20th.

Unwrapped toys can be dropped off in the
lobby of Miller Avenue School.

All donations are greatly appreciated.

Thank you!
