F.A.T. City  
(Frustration, Anxiety, Tension)  
Thursday, February 8, 2018  
6:30 pm in the High School Library

This very important workshop looks at the world through the eyes of a child with learning disabilities. Let us help you walk in their shoes to have a better understanding of what they are going through. You will get helpful tips on how to help **REDUCE frustration, anxiety and tension** for your child.

(You do NOT have to have a child or student with a learning disability to attend. Everyone can benefit from this program!)

Presented by Mr. Charles Althoff, Alonna Rubin and Mike Sanchez  
You won't want to miss it!
