PARP WEEK APRIL 30 TO MAY 4, 2018 COMMUNITY-WIDE SCAVENGER HUNT

Directions

Please use the clues inside this Reading Explorer's Guidebook to navigate to your secret words. The words may be located either inside the businesses or in the window; finding them is part of the fun. You will find a secret word in each location, then use those words to solve the mystery sentence at the end.

Reading in rhyme helps build fluency for our little ones and is just plain fun for the big ones, so all are encouraged to read the clues more than once.

Please turn in your completed Reading Explorer's Guidebook by May 4 to your child's school for a prize.

We thank our local organizations and businesses for helping support our children's growth in literacy and exploring!

Also, we thank YOU for taking on this quest.

HAPPY READING & EXPLORING!

Clue #7 for the Scavenger Hunt

Just about there, could almost punt:

We think it may be time to let your parents sit down. After all, they have been the ones driving you all over town.

So at **Brekky's** treat them to some coffee in a mug, Then give them a real big hug!

Scavenger Hunt Clue #8

You are at the end and you did great!

Where you and nature are sure to bond.

There are lots and lots of books on shelves

And enjoy your day!

Scavenger Hunt Clue #2

Just for you!

As you begin your reading quest,
You may want to look your best.

So stop into **Barber Shop 54** where you can sit in a chair,
If you want them to comb and trim your hair.

Then you will be ready only if you dare to read!
So be on your way and pick up speed!

(write secret word #2 on this line)

Scavenger Hunt Clue #3

Keep on buzzing along like a bee!

The smell of spring is in the air!

You may want to get some flowers to share.

Scavenger Hunt Clue #4

Ready for some more?

You have been working so hard that we have a hunch,
You are getting very hungry for lunch.

If your tummy is growling loud enough to hear,
Know that a way to make it happy is near.

You can stop in at **Pellegrino's Pizza** for a slice and drink,
And your brain will be ready to think!

Scavenger Hunt Clue #5

Reading and science help the whole world thrive!

You are probably getting tired and wondering how much
longer you will last.

Maybe you can borrow one of Mr. Tesla's cars that drive so
very fast!

You may launch a car or travel into space someday,
Reading and science will help you every step of the way!
In the meantime, just waiting for you...

On the **Tesla Science Center Message Board** is another
clue!

Note: The Message Board is located off of the Randall Road entrance

Scavenger Hunt Clue #6

While you are at the beach, find some unique sticks!

La Plage is a perfect place to stop for dinner.

With every step you are coming closer to being a winner!

So give yourself a great big hand,
Cross the street and take a walk in the sand.

Collect a shell or two,
Or maybe find something blue.
