

# FIELD DAY 2018

Dear Parents,

Field Day is this Thursday, May 24<sup>th</sup>! The students are getting very excited for the big day and we hope you can join us as well. Below are a few reminders and directions to help ensure a fun and safe Field Day!

- Please make sure your child is prepared by having them wear sneakers, clothes for play, and sunscreen. The Wildcat Athletic Club plans to give out bottled water for each student. If your child plans to bring in a water bottle, please make sure their name is clearly written on the bottle.
- This year's theme is the USA. Students will be asked to wear their class shirts but we would love if all the students (and even parents) could incorporate red, white, and blue into their outfit to help celebrate our great country!
- A reminder of the field event times for each class is listed below.
- When arriving to Field Day, parking may be an issue. Please carpool or walk if possible. The entrance to the back field for Field Day will be on the south side of the building near the playground. In addition, there will be no access to the building for spectators. Portable bathrooms will be available on the field.
- We encourage you to let your child stay in school the remainder of the day to enjoy the rest of the activities. However, if you plan to sign your child out of school, please see the attached Dismissal Procedures for Field Day.
- The PTO will be providing a district approved, allergen-free ice pop for all students toward the end of the school day. If you have questions or concerns, please contact the school nurse at 821-8234.
- If the forecast is not ideal for Field Day and we have to postpone due to inclement weather, you will be notified by phone early Thursday morning. If we need to postpone, Field Day will be made up the following day, Friday, May 25<sup>th</sup>.

Sincerely,

***Mr. Bonventre & Ms. Carlson***

**DISMISSAL PROCEDURES FOR FIELD DAY:**

**NO CHILD WILL BE DISMISSED FROM THE FIELD**

Our first priority is the safety of our students. With that in mind, we request that students go home on the bus. Based on the number of anticipated spectators, signing out students following normal dismissal procedures (checking photo ID and calling students to the office) will likely be a long process. Therefore, please understand that if you choose to sign out your child, you may have to wait a significant amount of time.
