

WILDCAT YOUTH LACROSSE FALL SKILLS TRAINING

INVITE kindergarten-8th grade

(September - December)

I am very excited to begin another year of SWR youth winter lacrosse training. We will continue to focus on skills development and fundamentals. I believe these changes will help me introduce the game of lacrosse to the next generation of SWR athletes. In order to ensure the focus of our program is on fundamentals and player development, *the varsity coaching staff* and players will run all of the youth clinics. Our staff will focus on lacrosse fundamentals, lacrosse I.Q. development and building a passion for lacrosse through a positive environment.

These trainings will be held Tuesdays from 600pm – 700pm on the HS turf.

The cost for the fall program will be **\$100 for k – 8th**.

To register for this program and make payment please follow these directions. Use the following link to join the clinic...
