K-6th Grade

Wildcat nation!

I am very excited to begin another year of SWR developmental kindergarten – 6th grade lacrosse training. We will continue to focus on skills development and fundamentals. Our goal is to introduce the game of lacrosse to the next generation of SWR athletes. In order to ensure the focus of our program is on fundamentals and player development, the varsity coaching staff and players will run all practices. Our staff will focus on lacrosse fundamentals, lacrosse I.Q., all while developing and building a passion for lacrosse through a positive environment.
